550 lbs of food  
Sponsor: 6th grade  
Charity: Martha's Village  
and Kitchen

In honor of Catholic Schools Week we decided to hold a very special four day food drive to fulfill the Galilee Center's specific pantry needs. Students were asked to bring in a different item every day, pinto beans, canned tuna, cereal and canned corn. We had such an amazing response! The Outreach team would like to thank you for always going above and beyond in donating items and helping those in need. Our food drives are truly having an impact on the hungry that reside here in the Coachella Valley!
