

Building a Stronger Sense of Community in Our School Family

Would you like to join Helping Hands?

Helping Hands is a beautiful ministry that we are very proud exists here at Sacred Heart School. Our mission is to strengthen our school community by helping families at Sacred Heart that may find themselves in a time of need. We have an ever growing list of volunteers that are amazing! When we receive word help is needed we send out an e-mail to our Helping Hands team. What happens next is truly a miracle. Our volunteers quickly jump into action, and offer to help in any way needed. ie delivering meals, home/school assistance, prayers, etc.

Also, if at any time throughout the school year you happen to know of a family in need, please let us or the office know. Please do not hesitate to contact us with any questions. Thank you!

If you would like to join, please sign up electronically. It's quick and simple! Go to: www.signupgenius.com/go/20F0E4EADAE-1volunteer

Helping Hands is now on our school website. Just look for us under Outreach Programs. http://www.sacredheartpalmdesert.com/outreach_program
